

# Are You Teasing Me

Carl Smith

When we're all alone, dear  
And I'm in your arm  
Are you teasing me?

When you're telling me  
How you thrill to my charms  
Are you teasing me?

Are you untrue when I'm not with you?  
When we're apart are you free?  
Tell me, darling, while our love is still young  
Are you teasing me?

You say that my kiss  
Sends your heart in up world  
Are you teasing me?

And that you'll be mine  
Till the end of the world  
Are you teasing me?

You tell me my love makes my life complete  
And tight in my arms you wanna be  
Tell me, darling, while our love is still young  
Are you teasing me?
