

That's The Kind Of Love I'm Looking For

Carl Smith

Now I wanna gal not the fickle kind to hold me like a clinging
vine
And that's the kind of girl I could adore
With flowin' hair and lovin' eyes a sweeter love that satisfies
That's the kind of love I'm looking for
She will be my little misses we'll live on hugs and kisses
Honey won't we have a lot of fun
Just kiss me morning, noon and night with lips that kiss like d
ynmite
That's the kind of love I'm looking for
Now you will be my turtle dove in little house on a hill of lov
e
Honey I will love you more and more
Each day will be a honeymoon and we'll just stay at home and sp
oon
That's the kind of love I'm looking for
She will be my little misses...
She will be my little misses...
