

## Anything (Interlude)

Carl Thomas

Oh, yeah  
Oh, oh, oh yeah  
Oh, yeah yeah

Anything  
I am anything  
I'm the one that you're perceiving in your heart  
Anything  
I am anything  
If you think of me I'll be right where you are  
Anything  
I am anything  
I'm the distance love can go that you don't do  
Anything  
I am anything  
If you reach for me then I'll reach right for you  
Anything  
I am anything  
I'm the darkness in the ocean, the sea blue  
Anything  
I am anything
