Can't Believe

Carl Thomas

I always dreamed that everything would be okay with me and you
But I ways wrong
When I looked into your eyes I didn't see all the things I used
 to see
What's going on?

You gave me reason to believe that we were always meant to be b
ut now I see
You were wrong
You can't keep running back to me with all those Baby, baby ple
ases
No more, no more

Never imaged you would be a faded picture I'm emotional >I'm em
otionalso emotionalorget that night I saw you in the corner wra
pped up tight
You were wrong
Slow dancing on the floor while I was watching from the door
So hurt, there you were

You had your chance (had your chance)
But you threw it all away (yes you did)
Thought you had my love always (no)
Oh baby
