

It Ain't Fair

Carl Thomas

I have seen a million faces
I'll probably see a million more,
But I never laid my eyes on nothing beautiful as this.
She took my breath away, couldn't find a word to say
I just wanted to know her name.
Oh, love smells like her perfume,
Like flowers in bloom,
I'm all cut up in ?

She's so perfect, flawless, gorgeous
So much it ain't fair!
She's amazing, so breath taking
Oh, it ain't fair!

I can't believe that I'm so anxious,
Infatuated so far gone
I couldn't take my eyes of that girl,
..she looks like love!
It felt so natural,
If it is, it can't go wrong,
It could be a chance for us, us,
Love smells like her perfume,
Like flowers in bloom,
I'm all cut up!

She's so perfect, flawless, gorgeous
So much it ain't fair!
She's amazing, so breath taking
Oh, it ain't fair!

Here she comes, walking bye
A bless into my eyes!
I never seen a woman so, so perfect
In my mind, I fantasize taking her on my hand,
Her beauty gets me every time

She's so perfect, flawless, gorgeous
So much it ain't fair!
She's amazing, so breath taking
Oh, it ain't fair!
