Ooh Ooh Ooh oo oh

Ooh, for everytime he broke your precious heart And did it no regrets
Ooh, for everytime he started going off
And showed you no respect
Ooh, for everytime he used to scream on you
As if you were a child
Ooh, for everytime he didn't tell you the truth
One lie after lie

I'm gonna make it all, make it all, make it alright Make it all, make it all, make it alright

Oh, everytime when he'd stay out all night
And left you home alone
Oh, for everytime you would have been alright
If he just picked up the phone no
Oh ho oh oh, for everytime you wanted to up and leave
But you didn't quite know how to
Oh Oh Oh, for everytime you wanted someone like me
To love and cherish you
Oh I'll

You don't have to... look no...

Don't have to look no further

Cuz I am right before ya

With me... things will be...better

Cuz I'm not here to hurt ya

I'm just here to love ya
