

# My Valentine

Carl Thomas

Yeah, yeah, yeah  
Oh, yeah

Sometimes at night I can not sleep  
I think of you with revering  
But like an ancient melody  
You're beautiful but melancholy  
Girl if I could  
Don't you know I would  
Take the pain away from

My Valentine  
Tell me why  
Why you never smile

What can I do  
To get through to you  
My funny Valentine  
I'd do anything just to see you smile

I know obsession is a sin  
But I feel you underneath my skin  
Are you the prize that I'll never win  
Because you haunt me like a thousand violins

But I won't give up, no no  
Until I earn your trust  
Cuz you're a part of me  
And it's my destiny to fly away with

My Valentine  
Tell me why  
Why you never smile

What can I do  
To get through to you  
Tell me you're

My Valentine  
Tell me why  
Why you never smile

What can I do  
To get through to you  
My funny Valentine  
I'd do anything just to see you smile

Smile (To see)  
Smile (Your smile)  
Smile (Your touch, your smile)  
To see (Your face) you smile (Your smile)  
Smile (Your smile, your touch)  
Smile (Your smile, your smile, your face)  
Why won't you smile (Why won't)  
Smile (You smile)  
Smile (Why won't you smile)  
I'll make you smile (Oh, why won't)

Smile (you smile)  
Smile  
Ooh
