

# She Is

Carl Thomas

Oh...  
Oh...hey  
Ho...oh...  
Oh...oh...

Like my favorite scene  
In the best movie  
Like the air that I breathe  
That's what she is to me

Like a song I just wrote  
Or like coming home  
When I've been gone too long  
That's what she does for me

{Ooh...} I wanna always have this feeling  
{Ooh...} Ooh, your love is so amazing  
{Ooh...} Tell me, tell me, tell me, baby  
{Tell me that you'll never go, no} Oh...oh...

She's a light, someone free  
Everything I need the sun will bring to me  
(That's what she is)  
That's what she is (What she is to me)  
And she's so heavenly  
Just how the world looks to someone who's never seen it  
(How the world, the world)  
That's what she is

Like a lover's hug  
When you first fall in love  
And girl, it means so much  
When you're out of touch

It's like seeing you  
For a moment or two  
Girl, the thought of you  
Is what gets me through

{Ooh...} I wanna always have this feeling  
{Ooh...} Ooh, your love is so amazing  
{Ooh...} Tell me, tell me, tell me, girl  
{Tell me that you'll never go, no} Whoa...

She's a light, someone free  
Everything that I need  
(Everything I need, yeah) the sun will bring to me  
That's what she is (What she is to me)  
And she's so heavenly  
Just how the world looks to someone who's never seen it  
(What she is to me)  
That's what she is (What she is to me)

I don't think that words can describe  
Exactly how you make me feel inside  
Never in my life  
Have I been so in love, whoa...

She's a light, someone free (She's a light, yeah, yeah, yeah)  
Everything I need the sun will bring to me (That the sun will bring)  
That's what she is (What she is to me)  
And she's so heavenly  
Just how the world looks to someone who's never seen it  
(Someone who never)  
That's what she is (Oh, never)

She's a light, someone free  
Everything I need the sun will bring to me  
(That the sun will bring, yeah, yeah)  
That's what she is (What she is)  
And she's so heavenly (So)  
Just how the world looks to someone who's never seen it  
(She makes me feel)  
That's what she is  
(So good, so good, yeah, yeah)  
(Baby-baby-baby-baby-baby-baby)  
(You got it, girl)
