## **Perfect Day**

Such a perfect day Drink Sangria in the park And then later, when it gets dark We go home

Oh, such a perfect day Feed animals in the zoo And then later, a movie too And then home

Oh, it's just a perfect day I'm glad I spent it with you It is such a perfect day You just keep me hanging on You just keep me hanging on

Just a perfect day Problems all left alone And we can do this on our own Such a fun

Just a perfect day You made me forget myself I thought I was someone else Someone good

Oh, it's such a perfect day I'm glad I spent it with you It is such a perfect day You just keep me hanging on You just keep me hanging on

You're going to reap just what you sow You're going to reap just what you sow You're going to reap just what you sow To reap just what you sow
