

Stand By Your Man

Carla Bruni

Sometimes it's hard to be a woman
Givin' all your love to just one man, oh yeah
You'll have the bad times and he'll have the good times
Doin' things that you don't understand

But if you love him you'll forgive him
Even though he's hard to understand
And if you love him, aww, be proud of him
Cause after all he's just a man

Stand by your man, give him two arms to cling to
And somethin' warm to come to when nights are cold and lonely
Stand by your man and show the world you love him
Keep givin' all the love you can

Stand by your man
Stand by your man and show the world you love him
Keep givin' all the love you can
Stand by your man
