

## Appalachian Eyes

Carlene Carter

Morning fell  
Like the hair round her sure was soft and shinin'  
And the valley was green  
As the eyes of the man who could not hold her  
She was the reason  
Many heart beat blue, blue, blue

Oh your blue, blue, blue Appalachian eyes  
Oh your blue, blue, blue Appalachian eyes

I saw her runnin' scared like the look on her face  
She lost her shoe  
Never turned to look back  
I could not help her  
She was the reason  
Many heart beat blue, blue, blue

Oh your blue, blue, blue Appalachian eyes  
Oh your blue, blue, blue Appalachian eyes

Sure as a "bullet"  
She lost her love slipping silently over Clinch Mountain

Oh your blue, blue, blue Appalachian eyes  
Oh your blue, blue, blue Appalachian eyes

Oh your blue, blue, blue Appalachian eyes  
Oh your blue, blue, blue Appalachian eyes

Oh your blue, blue, blue Appalachian eyes  
Oh your blue, blue, blue Appalachian eyes ....
