

## Love Like A Glove

Carlene Carter

Some gotta wear their heart on their sleeve  
Me I gotta keep it on hand or I can't sleep  
I keep it under my thumb  
In the palm of my hand

I gotta love like a glove  
Gotta grip on me  
Gotta push and a shove like machinery  
When it gets too big it'll shrink to fit  
Gotta love like a glove  
And I'm wearing it

Some wanna show the world what they got  
I keep it under wraps tie a lovers knot  
From around my wrist  
To my fingertips

Some gotta wear their heart on their sleeve  
Me I gotta have it on hand or I can't sleep  
You gotta fight to keep it  
Loose and legal  
Love don't leave it  
Keep it hand to hand
