One Good Lover

Carlene Carter

He's not lookin' for your kind of love I got a hand in his heart like a fist in a glove You say you're strong Well, tough you better be When he's lookin' for a fight he Always comes back to me

'Cause one good lover deserves another I'm one good lover, one good lover

He's just lookin' for a friendly smile He got a look in his eye like A Prisoner with a file He don't love you, he don't even know your name It takes two to tango Three to lose the game

Try it one more time with feeling But you can't hurt him like I can Like I can Like I can One good lover deserves another

He's not lookin' for your kind of love He likes a take and a give, likes a pull and a shove You're experienced, advice is what you need Listen closely I've got two words for you for free
