

Sweet Meant To Be

Carlene Carter

On a night, not unlike this
With a chill in the wind
And a moonlit mist
Daddy took Mama
Down by the bay
Kissed her and showed her
What words cannot say

They were meant to be
Sweet meant to be
Sweet meant to be
They were meant to be
Sweet meant to be

I know in my heart
I feel it right here
With you and me darlin'
I have no fear
When our hearts meet
On common ground
Our purpose is clear
And our faith is sound

We are meant to be
Sweet meant to be
Sweet meant to be
We are meant to be
Sweet meant to be
Sweet meant to be

You can dream, you can wish
But some things you know
You got the vision
An' I got the hope
Set a course for our mission
Together we'll carry it home
Ooo ooo ooo

Oh yeah, meant to be
Sweet meant to be
Sweet meant to be
We are meant to be
Sweet meant to be
Sweet meant to be

Oh, we are meant to be
Sweet meant to be
We are meant to be
Sweet meant to be

Oh, we are meant to be

Meant to be
