Unbreakable Heart

Carlene Carter

An empty house a broken fairy tale a hollow girl with empty arms from an angel's tears god made the stars why can't he make me an unbreakable heart

in my blue world you shone like heaven's fire and left me cryin' in the dark how could any one be so hard did you think i had an unbreakable heart

i suppose i should know sometimes love just comes and goes but i believed, foolish me we'd go on and on

one day someone will come to you and rock you tightly in her arms please remember this, when you drop your guard nobody has an unbreakable heart from an angel's wings, to a falling star god makes everything but unbreakable hearts
