

Daughter Of The Night

Carlos Santana

1. One way in and one way out
You don't know what it's all about
You look to the left, you look to the right
The brightest day and the darkest night

R: And if you see me stealin' away
You better believe that I'd much rather stay
Daughter of the night everything right is getting to you baby
Sister of the sun born on the ruuuuuuuun, just let me move you ba
by

2. On the road well I been told
The people need a highway code
The harder the chase - the sweeter the catch
I ain't the driver but you met your match

R: And if you see me...

solo: Em

3. You can win and you can lose
Listen mama you got to choose
You can give up tryin' or break down cryin'
Or keep on goin', change your mind

R: And if you see me...

*: Sister of the sun born on the ruuuuuuuun
just let me move, move you baby
just let me move you baby
born on the run
just let me move, move, move you baby
