1. One way in and one way out  
You don't know what it's all about  
You look to the left, you look to the right  
The brightest day and the darkest night

You better believe that I'd much rather stay  
Daughter of the night everything right is getting to you baby  
Sister of the sun born on the ruuuuuuuun, just let me move you ba  
by

2. On the road well I been told  
The people need a highway code  
The harder the chase - the sweeter the catch  
I ain't the driver but you met your match

R: And if you see me...

3. You can win and you can lose  
Listen mama you got to choose  
You can give up tryin' or break down cryin'  
Or keep on goin', change your mind

R: And if you see me...

\*: Sister of the sun born on the ruuuuuuuun  
just let me move, move you baby  
just let me move you baby  
born on the run  
just let me move, move, move you baby
