

# Illuminations

Carlos Santana

Where did we go wrong  
Something's going on  
Walking' 'round in fear  
What happen to the light  
And all of those who tried  
To keep an open mind

Like Martin Luther King  
And what Marvin Gaye would say  
It seems like what they left us with is gone

Lets dream about a place  
Where we live freely  
In a world where no one's hungry  
Where a child can grow in peace  
And everyone can finally be in harmony  
Wouldn't that be illuminating  
Wouldn't that be illuminating

So when tomorrow comes  
I will feel the sun  
Even when it rains  
With some help from up above  
I will spread the love  
Bury all the hate

Like Martin Luther King  
And what Marvin Gaye would say  
It seems like what they left us with is gone

Lets dream about a place  
Where we live freely  
In a world where no one's hungry  
Where a child can grow in peace  
And everyone can finally be in harmony  
Wouldn't that be illuminating  
Wouldn't that be illuminating

What's going on  
What's going on  
What's going on  
Tell me what's going on  
Tell me what's going on yeh

Lets dream about a place  
Where we live freely  
In a world where no one's hungry  
Where a child can grow in peace  
And everyone can finally be in harmony  
Wouldn't that be illuminating

Lets dream about a place  
Where we live freely  
In a world where no one's hungry  
Where a child can grow in peace  
And everyone can finally be in harmony  
Wouldn't that be illuminating

Wouldn't that be illuminating  
Wouldn't that be illuminating

What's going on  
What's going on  
What's going on  
What's going on  
We need you  
We need you  
We need you now
