

Let There Be Light

Carlos Santana

[Chorus:]

Let there be light
Let there be joy
Let there be love
And understanding
Let there be peace
Throughout the land.

[Verse:]

Let's work together
In harmony
Let's build a better world
No suffering

And in times of darkness
Just reach out
'Cause there is a promise
It won't be denied

[Repeat Chorus 6 times]

[Narration:]

This is truly paradise
Being here in this celestial garden
With all the ones you love
Where nothing dies or ever grows old
And to be bathed in light
That cast no shadow

Yes

This is the Kingdom within
Still you know
Sometimes I miss seeing and feeling
