Let There Be Light

Carlos Santana

[Chorus:] Let there be light Let there be joy Let there be love And understanding Let there be peace Throughout the land.

[Verse:]
Let's work together
In harmony
Let's build a better world
No suffering

And in times of darkness Just reach out 'Cause there is a promise It won't be denied

[Repeat Chorus 6 times]

[Narration:]

This is truly paradise Being here in this celestial garden With all the ones you love Where nothing dies or ever grows old And to be bathed in light That cast no shadow

Yes This is the Kingdom within Still you know Sometimes I miss seeing and feeling The Spirits Dancing in the Flesh
