

# Serpents And Doves

Carlos Santana

Who really cares  
Who's willing to try  
To save the world  
That's destined to die  
Now do you believe  
That it can be done  
To live in peace  
In the great central Sun

Say I need to know  
I got to know  
Do you really care  
I need to know  
I got to know

Can we live in peace  
I need to know  
I got to know  
Once we learn to share  
I need to know  
I got to know  
Then we will be free

Oh can we live by grace and love  
Like serpents and doves  
Be wise and hold on to your faith  
Be strong and we can all sing the same song

Said I need tok now  
I got to know  
Do you really care  
You know that I need to know  
Can we live in peace  
Said I need to know  
I got to know  
Once we learn to share  
I need to know  
I got to know  
Then we will be free

I said hope is not lost, no, no  
When you believe  
Remove all your doubts  
And you will see, you will see, you will see

Dancing in the light  
Soul mate by your side  
Let's take the love that we share  
And spread it everywhere

Said I need to know  
I got to know  
Do you really care?  
I need to know  
I got to know  
Can we live in peace?  
Said I need to know

I got to know  
Once we learn to share  
I need to know  
I got to know  
Then we will be free

Now tell me who really cares  
Do you really care?  
Who's willing to try?  
Can we live in peace?  
Let's save the world  
Once we learn to share  
That's destined to die  
Then we will be free  
Do you believe that it can be done?
