

Beautiful

Carly Rae Jepsen

1. Hello, I know it's been a while
I wonder where you are, and if you think of me
Sometimes, 'cause you're always on my mind
You know I had it rough, tried to forget you but
The more that I look around, the more I realize
You're all I'm looking for

R: What makes you so beautiful,
is you don't know how beautiful you are to me
You're not trying to be perfect
Nobody's perfect, but you are, to me
It's how you take my breath away
Feel the words that I don't say
I wish somehow, I could say them now
Oh, oh, I could say them now, yeah

2. Just friends, the beginning or the end?
How do we make sense, When we're on our own
It's like you're the other half of me
I feel incomplete, I should've known
Nothing in the world compares
to the feelings that we share
It's so not fair

R: What makes you so beautiful...

*: Oh, it's not you, blame it all on me
I was running from myself
Cause I couldn't tell how deep that we
We were gonna be
I was scared it's destiny, but it hurts like hell
Hope it's not too late, just a twist of faith

R: What makes you so beautiful...
