

Call Me Maybe

Carly Rae Jepsen

1. I threw a wish in the well
Don't ask me, I'll never tell
I looked at you as it fell
And now you're in my way
2. I'd trade my soul for a wish
Pennies and dimes for a kiss
I wasn't looking for this
But now you're in my way
- *: Your stare was holding, ripped jeans - skin was showin'
Hot night, wind was blowin'
Where you think you're going, baby?
- R: Hey I just met you and this is crazy
But here's my number - so, call me maybe?
It's hard to look right at you, baby
But here's my number - so, call me maybe?
Hey, I just met you and this is crazy
But here's my number - so, call me maybe?
And all the other boys try to chase me
But here's my number - so, call me maybe?
3. You took your time with the call
I took no time with the fall
You gave me nothing at all
But still you're in my way
4. I beg and borrow and steal
Have foresight and it's real
I didn't know I would feel it
But it's in my way
- *: Your stare was holding...
- R: Hey I just met you and this is crazy...
5. Before you came into my life
I missed you so bad, I missed you so bad
I missed you so, so bad
6. Before you came into my life
I missed you so bad and you should know that
I missed you so, so bad
- R: It's hard to look right at you, baby
But here's my number - so, call me maybe?
Hey, I just met you and this is crazy
But here's my number - so, call me maybe?
And all the other boys try to chase me
But here's my number - so, call me maybe?
- 7.=5.
8. Before you came into my life
I missed you so bad and you should know that
So, call me maybe?
