Call Me Maybe

Carly Rae Jepsen

- I threw a wish in the well Don't ask me, I'll never tell I looked at you as it fell And now you're in my way
- I'd trade my soul for a wish Pennies and dimes for a kiss I wasn't looking for this But now you're in my way
- *: Your stare was holding, ripped jeans skin was showin'
 Hot night, wind was blowin'
 Where you think you're going, baby?
- R: Hey I just met you and this is crazy But here's my number - so, call me maybe? It's hard to look right at you, baby But here's my number - so, call me maybe? Hey, I just met you and this is crazy But here's my number - so, call me maybe? And all the other boys try to chase me But here's my number - so, call me maybe?
- 3. You took your time with the call I took no time with the fall You gave me nothing at all But still you're in my way
- 4. I beg and borrow and steal
 Have foresight and it's real
 I didn't know I would feel it
 But it's in my way
 *: Your stare was holding...
- R: Hey I just met you and this is crazy...
- 5. Before you came into my life I missed you so bad, I missed you so bad I missed you so, so bad
- Before you came into my life
 I missed you so bad and you should know that
 I missed you so, so bad
- R: It's hard to look right at you, baby But here's my number - so, call me maybe? Hey, I just met you and this is crazy But here's my number - so, call me maybe? And all the other boys try to chase me But here's my number - so, call me maybe?
