Curiosity

Carly Rae Jepsen

 Break a bone, Got me on my knees You break my heart, Just to watch it bleed Im sick with love, Sick like a disease Dont call me up, Just so I can please you

I cant stand the way youre smiling cant stand the way Im lying

R: I know, I know, I know you got the key And you know, you know, you know that its for me Its not up to you, you know its up to me but Curiosity will never let me go

Oh oh oh oh oh, Uh oh Oh oh oh oh oh Will never let me go Oh oh oh oh oh Uh oh Oh oh oh oh oh

 Look at me Left here in the corner Stupid girl I really tried to warn her

Walked the streets all night

Until you came around Knew that you would come Before you ever even made a sound

- R: I know, I know, I know you got the key... Oh oh oh...
- 3. So don't break me tonight This is crazy love And you know I'm gunna follow you home Through the rain Cause I need your love And you know I'm going to follow you home

(Cause I need your love and you know I'm gonna follow you home..)

R: I know, I know, I know you got the key And you know, you know, you know that it's for me Well I think that we should try it out to see if

So don't break me tonight This is crazy love And you know I'm gunna follow you home Through the rain Cause I need your love Yes I need your love R: Will never let me go Oh Will never let me go Oh Will never let me go.
