1. I survive on hotel shampoos  
I'll be running out soon  
You've gone away again  
Gone to collect some more  
Your hands pressed hard into me  
I thought this summer  
you'd be gone away again  
Oooo he's gone away again

R: We were poor yeah we  
were dream chasers baby  
Sky scrapers are not too tall  
He's going to prove me  
right until I'm wrong

2. Craving all the gold  
and the riches  
I don't want to  
wash my own dishes  
He's gone away again hmm  
he's gone away again  
Driving in a sweet  
brand new car  
I'm Living the life  
of a superstar  
I got my way again hmm  
I got my way again

R: We were poor yeah we...

\*: He says that he don't recognize us  
In all our pretty disguises  
In all out pretty disguises  
Work hard oh we work  
until we're sleeping  
And we sleep but  
we're not dreaming

Oh we sleep but  
we're not dreaming

3. Where's his love  
Where's his kisses  
He says "sorry babe  
this has got away from me"  
He's gone away from me

R: We were poor yeah we  
were dream chasers baby

Sky scrapers are not too tall  
He's going to prove me  
right, I know he'd prove me right  
He's going to prove me  
F C (držet)  
right until I'm wrong
