

# Let's Get Lost

Carly Rae Jepsen

I was never one to want to  
Put my trust in someone else completely  
And I was always one to want to  
Up and run when someone said they needed me

But you  
You could be the one  
You could be the one

Baby let's go get lost  
I like the way you're drivin' slow  
Keeping my fingers crossed  
That maybe you'll take the long way home  
Let's get lost  
I don't wanna let you go  
Keeping my fingers crossed  
That maybe you'll take the long way home

Baby let's take the long way home

I was always shy and careful  
I was sure that you would never look at me  
Never wanted to discourage  
Everything your eyes encouraged silently

But you  
You could be the one  
You could be the one

Baby let's go get lost  
I like the way you're drivin' slow  
Keeping my fingers crossed  
That maybe you'll take the long way home  
Let's get lost  
I don't wanna let you go  
Keeping my fingers crossed  
That maybe you'll take the long way home

Baby let's take the long way home

Let's get lost (let's get lost)  
You wanna get lost? (you wanna get lost?)  
Let's get lost (let's get lost)  
I wanna get lost

Baby let's go get lost  
I like the way you're drivin' slow  
Keeping my fingers crossed  
That maybe you'll take the long way home  
Let's get lost  
I don't wanna let you go  
Keeping my fingers crossed  
That maybe you'll take the long way home

Baby let's take the long way home
