

# Money And The Ego

Carly Rae Jepsen

1. Make my house of bricks  
And I'll stick  
here when the world  
Comes crashing down around me  
Make your arms a willow tree  
And you can bend with me  
Anywhere that I'm going

R: Sometimes it's hard to see  
Anything lovely  
All the people around me  
Going for the money  
and the money  
And the ego  
How can you ask me why  
I need to know before I try?  
I've got to be sure there's more  
Bm (nechat)  
Than the money and the money  
G (nechat)  
And the ego

2. Keep your eyes on me  
And I'll look to  
you so I can see  
What I am here for  
Pull the wool over my eyes  
Please kiss this day goodbye  
Only you can get me going

R: Sometimes it's hard to see...

\*: When giving up is all you got  
And giving up is all you want  
You hear yourself say  
you lost the will The power  
When giving up is all you got  
And giving up is all you want  
Don't be afraid to sit down  
G(hold)  
In your shower  
A (nechat)  
You can stay in there for hours

3. Make my house of bricks  
And I'll stick  
here when the world  
Comes crashing down around me

R: Sometimes it's hard to see  
Anything lovely  
All the people around me  
Going for the money  
and the money  
And the ego  
How can you ask me why

I need to know before I try?  
I've got to be sure there's more  
Than the money and the money  
And the ego

I've got to be sure there's more  
Than the money and the money  
And the ego  
I've got to be sure there's more  
C#m (nechat)  
Than the money and the money  
A (nechat) E (nechat)  
And the ego
