

# The One

Carly Rae Jepsen

Truth is I never thought of us together  
You're just a friend of mine  
We should know better  
This can't last forever  
Kiss me one more time

Romance is fine, pour me some wine  
Tell me it's just for the fun of it  
Far from your eyes, hard to deny when  
I don't want love, don't want none of it

If you want to, you can stay the night  
I don't want to be the one, the one  
If you want to, you can hold me tight  
I don't want to be the one, the one

It's too much pressure  
It's too much pressure  
It's too much pressure  
I don't want to be the one, the one

We're cookin' dinner, I wear your socks and slippers  
It's been a long, long day  
It's just so easy, love the way you read me  
I never have to say

Romance is fine, pour me some wine  
Tell me it's just for the fun of it  
Far from your eyes, hard to deny when  
I don't want love, don't want none of it

If you want to, you can stay the night  
I don't want to be the one, the one  
If you want to, you can hold me tight  
I don't want to be the one, the one

It's too much pressure  
It's too much pressure  
It's too much pressure  
I don't want to be the one, the one

Don't fall in love, fall in love, fall in love, fall in love  
Don't fall in love, fall in love, fall in love, fall in love  
Don't fall in love, fall in love, fall in love, fall in love  
Don't fall in love, fall in love, fall in love, fall in love

If you want to, you can stay the night  
I don't want to be the one, the one  
If you want to, you can hold me tight  
I don't want to be the one, the one

It's too much pressure  
It's too much pressure  
It's too much pressure  
I don't want to be the one, the one
