

Revive Us Oh Lord

Carman

We've turned from Your ways
Lord Your fruit we've ceased to bear
We lack the power we once knew in our prayers
That gentle voice from heaven
We cease to hear and know
The fact that He has risen no longer stirs our soul

Revive us oh Lord
Revive us oh Lord
And cleanse us from our impurities
And make us holy
Hear our cry
And revive us oh Lord

Though we've been unfaithful
We have never been disowned
The spirit that raised Christ from the dead
Compels us to His throne!

Revive us oh Lord
Revive us oh Lord
And cleanse us from our impurities
And make us holy
Hear our cry
And revive us,

Revive us oh Lord
Revive us oh Lord
And cleanse us from our impurities
And make us holy
Hear our cry
And revive us ...oh Lord!

Revive us oh Lord
Revive us oh Lord
And cleanse us from our impurities
