

Sunday School Rock

Carman

Listen up now ya'll I'm gonna try and reach ya
Class is now in session pay attention to the teacher
We're goin' through the Book, Genesis to Revelation
I'll teach your head how to spread salvation to the nation
We'll start with the basics, a checklist for the saints
Love the Lord with all your heart and mind and soul and strengt
h
To fear the Lord is wisdom, to serve the Lord divine
To really break it down just repeat these words of mine
I love Jesus... (I love Jesus), Yes I do (Yes I do)
I love Jesus... (I love Jesus), How 'bout you?... (How 'bout yo
u?)
I love Jesus, Yes I do, I love Jesus...How 'bout you?
Grab your pen and paper, the lesson now begins
First up Church artillery 'cause we at war with sin
God trains us through evangelists, apostles, prophets too
Pastors, teachers, five in all 'cause we got work to do
Discernment, tongues, interpretation, prophecy, and faith
Wisdom, knowledge, healing, miracles, yeah, those are great
These gifts are like atomic bombs, they make the Word explode
But they just don't mean nothin' unless you know the code
That code is...
The bottom line, the way to win
Is up with Jesus, down with sin
The Word is clear, easy to see
Only Christ can set you free
Hide the Word in your heart
When you grow you won't depart
Grind the devil to the ground
Sunday school is throwing down!!!
I love Jesus, Yes I do
I love Jesus... You love Jesus... We love Jesus, how 'bout you?
I love Jesus, Yes I do
