

I Will Say Goodbye

Carmen McRae

I will say goodbye, I will walk away
I will speak the words you would heard me say
I will walk away, I will walk alone
I will not look back for I turned to stone

More than just farewell, more than just goodbye
It would be as if we'd never met
You will hear the words, you would have me say

You would have me say, you are not my love
You are not my love, oh oh, oh oh, oh oh, my love
I will say goodbye, I will close the door
I will close my eyes, I will love no more
