

If You Could See Me Now

Carmen McRae

If you could see me now, you'd know, how blue I've been
One look is all you need to see the mood I'm in
Perhaps then you'd realize, I'm still in love with you

If you could see me now and find me being brave
And trying awfully hard to make my tears behave
Oh, but that's quite impossible, I'm still in love with you

You halven my way on some memorable day
And the month will be made for a while
I'll try to smile but can I play the part?
Without my hearts behind the smile

The way I feel for you, I never could disguise
The look of love is written plainly in my eyes
I know you'd be mine again if you could see me now

The way I feel for you, yeah, I never, never, never could disguise
The look of love is written plainly in my eyes
I know you'd be mine again if you could see me now
