

## A Revel in Violence

Carnal Forge

There's No Solution, Only Revolution  
There's No Salvation, Crack The Face Of Power

Tear Them Apart

There's No Surrender, Time To Hate That Fucker  
Burst, Burst My Friend, And Things Will Never  
Be The Same Again

Wreck It, Slam It, Kill It, Bring It To The Dead  
Smash And Burn, A Revel In Violence

Burning Heads In Fusion, Bestial Liars  
Tormenting Your Soul, Now It's Your Turn  
Just Go

Smash And Burn (4x)

I Can't See Your Face, It Makes Me See Too Red  
I Hate To Hate You, But I Can't Help Myself  
I Want Your Head In My Hand

I Wanna See You Ripped In Pieces, Totally Sliced

There's No Solution Only Revolution  
There's No Solution, Upside-Down Execution
