

You Know I'm Always Hungry For Some Kicks  
So You Better Watch Your Back Or I Just Might Slip  
My Fists Are Shaking And I Can Smell Your Fear  
It Doesn't Matter Who You Are  
You'll Bleed, Then You'll Become A Scar

Let Me Erase Your Mind  
Let Me Take Your Soul  
Let Me Put Your Life To Rest

If You Take A Look Into My Black Glowing Eyes  
And All You Can See Is A Glimpse Of Yourself  
Sometimes It's So Hard To Choose, Slow Or Fast  
But You'll All Get A Chance To Feel The Pain Of Hell

Let Me Erase Your Mind  
Let Me Take Your Soul  
Let Me Put Your Life To Rest  
Let Me Erase Your Mind  
Let Me Revel On Your Soul  
Let Me Take You To The Depths Of Hell

There's No End Where There's Nothing At All  
But Your Light Is Out, Down To Hell We Go
