

# Numb (the Dead)

Carnal Forge

I'm Alone in the darkness  
Now, I don't know what it was I thought I'd find  
The cuts are getting deeper but still it won't bleed  
I'm lost within this: disbelieve  
Confusion...  
...Still my hatred is clear,  
When the pain is gone there will be nothing to fear  
Choking on life but still I don't care

I'm a nuclear reaction  
Of devastation  
I'm At war with myself  
Ripping the life right out of me

I'm losing my grip  
My fear turns into anger  
I'm losing my grip  
Realize I'm not one of the dead

No use in running away, demolition is here  
As everything comes to an end my self hate takes control  
From myself, within myself  
My demons overtake my soul  
Kill me now, let me go  
The darkness will follow where ever I will go

I'm losing my grip  
My fear turns into anger  
I'm losing my grip  
Realize I'm not one of the dead

Feel the life force leaving me  
Body numb, I cannot feel  
(Mortality)  
Tear apart my rotting senses  
No longer alive

Drowning in quicksand  
I have no choice but to swallow and drown  
Time is slowing down there is no air to breath  
I'm lost within myself  
...Confusion:  
Nothing's clouding my mind  
When the pain is gone there will be nothing to fear  
Choking on life but still I don't care

I'm self mutilation  
A devastation  
I'm at war with myself...

I'm losing my grip  
My fear turns into anger  
I'm losing my grip  
Realize I'm not one of the dead  
.....Not one the dead!
