

# Waiting For Sundown

Carnal Forge

Leave the world domination to me  
Whatever you're looking for, look somewhere else  
I have to take it all, and killing you is the best way to get t  
here

Always hiding from the daylight, at war with the sun  
And you know that I am the fallen one

DESTINY MADE ME IMMORTAL  
I'M JUST WAITING FOR THE SUN TO COME DOWN

This warrior will change the world's rituals  
Still hung up about what you had and lost  
Stay right where you are  
You've waited long enough to get that killing blow

Always hiding from the daylight, at war with the sun  
And you know that I am the fallen one

DESTINY MADE ME IMMORTAL  
I'M JUST WAITING FOR THE SUN TO COME DOWN

It must be tiring on your soul  
I know that you'll never find shelter  
Where is your fire, where is your anger  
You have lost it all

I'm on a path that I can't change, I know it and I accept it  
If living is so much better than dying, then show me the way:

Always hiding from the daylight, at war with the sun  
And you know that I am the fallen one

DESTINY MADE ME IMMORTAL  
I'M JUST WAITING FOR THE SUN TO COME DOWN

Always hiding from the daylight, at war with the sun  
And you know that I am the fallen one
