## **A Winter In Remorse**

## Carnifex

I never thought I'd see an angel without wings I never thought that angel would bury me alive, bury me alive

Forgetting your name Forgetting your face Why did you have to mean so much to me? So much to me? I wish I knew then what I know now Getting caught in the rain means so much to me Know I never tho ught I'd see an angel without wings I never thought that angel would bury me alive
