

Hope Dies With The Decadent

Carnifex

Behind my back I see you stare and you can not destroy me with
your mindset of death.

This is a cry for hope, this is a prayer for love.

I'm bleeding, I'm begging.

I have a love. I have a life. I have a love.

C'mon

This is all I ask of you I'm begging you to take it away.

Away!!!

I'm begging you to take it away.

This is a cry for love, this is a prayer for hope. I'm bleeding
, I'm begging.

For your love...For your love!

C'mon

This is all I ask of you. I'm begging you to take it away.

This is a cry for love. This is a prayer of hope. I'm bleeding.

I'm begging.

I have a love, I have a life. I HAVE A LOVE.

C'mon

I have a love

C'mon

This is all I ask of you I'm begging you to take it away
