

These Thoughts Became Cages

Carnifex

I'll bury this for just one more day
Hide it down, Push it away
Push it away

I don't want things to be this way
I promise you things would never change
Things will never change

I promise you things would never change
Things will never change
..CHANGE
..CHANGE

These thoughts became cages in my mind,
CAGES IN MY MIND!

When these thoughts became cages in my mind,
CAGES IN MY MIND!

When these thoughts became cages in my mind,
CAGES IN MY MIND!
