## **Manic Depression**

Carnivore

Manic depression is touchin' my soul I know what I want but I just don't know how to heh! Go about gettin' it Feelin' sweet feelin' drops fom my fingers Manic depression is a catchin' my soul yeah Woman so weary the sweet cause in vain You make love you break love it's all the same when it's When it's over Music sweet music I wish I could caress caress caress Manic depression is a frustrating mess! Well I think I'll go turn myself off and go on down all the way down Really ain't no use in me hangin' around in your kind-a scene Music sweet music I wish I could caess and a kiss kiss Manic depression is a frustratin' mess! Music sweet music sweet music sweet music Music sweet music sweet music yeah
