That Man

Caro Emerald

I'm in a little bit of trouble And I'm in real deep From the beginning to the end He was no more than a friend to me

The thought is makin' me hazy I think I better sit down Cause like the sweetest serenade Bet he knows he's got it made with me

Twisting round on a carousel This speeds' too much to stop One second I'm thinkin' I'm feeling the lust And then I feel a lot

Ooh that man is like a flame And ooh that man plays me like a game My only sin is I can't win Ooh I wanna love that man Ooh that man is on my list And ooh that man I wanna kiss My only sin is I can't win Ooh I wanna love that man

Now it's like I'm on a mission Headed everywhere And if it takes a little long And it feels a little wrong, who cares?

My baby fits the description And does it easily A little Gable, some Astaire When he dances I can hardly breathe

Someone call a doctor Need some help to rescue me One second I'm thinkin' I must be lost And he keeps on findin' me

Ooh that man is like a flame And ooh that man plays me like a game My only sin is I can't win Ooh I wanna love that man Ooh that man is on my list And ooh that man I wanna kiss My only sin is I can't win Ooh I wanna love that man
