

Find My Way To Bethlehem

Carola

The lights are slowly fading, But I do not fear the dark
My faith is never dying, 'Cause with you I place my heart
Along the road I'm walking, To you I turn my prayers
Among all voices talking, It's yours the one I hear

I will find my way to Bethlehem
Following the star like the three wise men
I can hear you calling out my name
And I know I'll never be the same
'Cause I know, 'cause I know
Your love can set us free
And I know that ol' Bethlehem's for me

Though my voice will sometimes, Break because of tears
Weak but still resilient, I'll sing for you to hear
The strength my song is bringing, Is given by your grace
The song my heart is singing, No one can erase

I will find my way to Bethlehem
Following the star like the three wise men
I can hear you calling out my name
And I know I'll never be the same
'Cause I know, 'cause I know
Your love can set us free
And I know that ol' Bethlehem's for me
'Cause I know, you are calling out my name
And I know that I'll never be the same

To you I turn
To you I turn
To you I turn my prayers
