Oh yeah I believe (-hum) I believe Oh yeah Hey

I feel the heat around me
I feel the beat surrounds me
Could this be for real I wonder
No need for hesitation
It's time for celebration
Will this be the night I waited for

When angels fall in love Heaven knows does it show (-oh) If this love will last for eternity Set me on fire

I believe, I believe in love
And like the stars above
They shine, let it shine over me
Set me free
I believe in you and that our love is true
Oh, I believe, I believe

I see that people dancing Boys and girls romancing They want this to last forever

Cause underneath the moonlight Everything is alright We're reaching our hands up in the air

To where the souls alive Heaven knows that it shows (-oooh) If this love will last for eternity Set me on fire

I believe, I believe in love
And like the stars above
They shine, let it shine over me
Set me free
I believe in you and that our love is true
Oh, I believe, I believe

How could I doubt what was meant to be? Everything I needed was in front of me Your healing touch will lift me up In the sky so high--I believe, I believe, I believe in you

I believe, I believe in love
And like the stars above
They shine, let it shine over me
Set me free
I believe in you and that our love is true

Oh, I believe, I believe

I believe, I believe in love
And like the stars above
The shine on me
Set me free
I believe in you and that our love is true
Oh, I believe, I believe
Oh, I believe, I believe
