

## Wherever You Go

Carola

You're the reason to follow  
A dream in my heart  
You know I keep it holy  
In every season when dreams fall apart  
From the start your love lifted me up

So high I could fly like an eagle  
You gave me the time to grow

Wherever you go I will follow  
Wherever you go I will be there  
I want you to know through joy and sorrow  
Wherever you go I will be there

In my life where time is running so fast  
I will stop  
And start hearing your voice  
Cause I know for real  
That nothing will last without love  
So I'm making my choice to follow a dream  
My life flow whenever I'm high or low

Wherever you go I will follow  
Wherever you go I will be there  
I want you to know through joy and sorrow  
Wherever you go

So whatever comes tomorrow  
I will reap what I have sow  
And the dream I have forever  
Let it show

Wherever you go I will follow...

Wherever you go I will follow...  
I will be there
