

After All This Time

Carole King

Ooh hoo
I get a feelin'
Every night when you come home
That life is sweet, yeah baby
Sweeter than a honey comb
And oh darlin'
I'm so glad that you are mine
And that you still love me after all this time

You bring music to my soul
Listen I can hear it play
Sweeter than love
And stronger with each and every passin' day
And oh you're just like vintage wine
'Cause it's still so good after all this time

I believe, I believe
Your sweet love
You could make a tiger tame
Fill the desert full of rain
Bring me joy when I'm in pain

Even on a cold and windy day
I can feel my heart sing, yeah
For the warmth and the life and the love you give
To me it's like an early spring
Oh, no matter what the season is
There can be no doubt in my mind
That I still love you after all this time
Yes I still love you after all of this time
