

## After All This Time

Carole King

Ooh hoo  
I get a feelin'  
Every night when you come home  
That life is sweet, yeah baby  
Sweeter than a honey comb  
And oh darlin'  
I'm so glad that you are mine  
And that you still love me after all this time

You bring music to my soul  
Listen I can hear it play  
Sweeter than love  
And stronger with each and every passin' day  
And oh you're just like vintage wine  
'Cause it's still so good after all this time

I believe, I believe  
Your sweet love  
You could make a tiger tame  
Fill the desert full of rain  
Bring me joy when I'm in pain

Even on a cold and windy day  
I can feel my heart sing, yeah  
For the warmth and the life and the love you give  
To me it's like an early spring  
Oh, no matter what the season is  
There can be no doubt in my mind  
That I still love you after all this time  
Yes I still love you after all of this time
