

Blossom

Carole King

Blossom, smile some sunshine down my way lately, I've been lone
some.

Blossom, it's been much too long a day, seems my dreams have fr
ozen, melt my cares away.

Send the sunshine down my way whenever you call my name,
I know what you mean to say to me, girl, it's all the same.

Blossom, there's any empty road behind, sit you down beside me.
Blossom, there's a sweet dream on my mind, there's a song insid
e me, take these chains away.

Now, send the sunshine down my way whenever you call my name,
I know what you mean to say to me, girl, it's all the same.

Blossom, smile some sunshine down my way lately, I've been lone
some.

Blossom, it's been much too long a day, seems my dreams have fr
ozen, melt my cares away.
