## I Can't Hear You No More

Here you are again Tellin' me you're sorry, baby Tellin' me you wanna come on back home Where you belong

There you go again Lyin' and alibiin' Singin' that same old worn out song Here it comes now

I can't hear you no more I've heard it all before You ain't a reachin' me no how No way, no time until dooms day I can't hear you no more I can't hear you no more

You walked out on me Once too often baby And I can't take no more of your jive And that's the truth

I ain't about to let you Run me into the ground I'm not gonna throw away my youth No not hardly

I can't hear you no more Well I've heard it all before You ain't a reachin' me no how No way, no time until dooms day I can't hear you no more I can't hear you no more

You ain't a reachin' me no how No way, no time until dooms day I can't hear you no more I can't hear you no more

You gotta speak out louder You gotta speak out louder 'Cause I can't hear you no more I can't hear you no more

Just a little bit louder Just a little bit louder Just a little bit louder Just a little bit louder
