## **This Christmas**

Hang all the mistletoe I'm gonna get to know you better This Christmas And as we trim the tree How much fun it's gonna be together This Christmas

The fireside is blazing bright We're caroling through the night And this Christmas will be A very special Christmas for me, yeah

Presents and cards are here My world is filled with cheer and you This Christmas Lights twinkle all around But your eyes outshine the town They do, this Christmas

The fireside is blazing bright We're caroling through the night And this Christmas will be A very special Christmas for me, yeah This Christmas will be A very special Christmas for me, yeah

The fireside is blazing bright We're caroling through the night Yeah, this Christmas

Hang all the mistletoe I'm going to get to know you better This Christmas This Christmas Yeah, this Christmas will be A very special Christmas for me This Christmas Hang all the mistletoe I'm going to get to know you better This Christmas **Carole King**
